## **The 2020 Vision Plan for Port Arthur Community Questionnaire**

**June 2010**

## **Community Questionnaire**

---

A comprehensive plan starts with you. You tell us how you would like Port Arthur to look and function. We listen to everyone and try to write a collaborative vision for our community. Once everyone agrees on the vision, we try to figure out how to make it happen. In the end, we will have a plan that we can use as a guidebook when confronted with the changes we face. If everyone supports the plan, we will have a stronger, more stable city and economy.
