

Section 18-33 Permit Schedule

The City adopts in this section the following Appendix B, Schedule of Fees.

APPENDIX B

SCHEDULE OF PERMIT FEES

Section B101, Permit Fees,

On all buildings, structures or alterations requiring a building permit, a fee for each building permit shall be paid as required at the time the permit is issued. In accordance with the following schedule:

Total valuation	Fee
\$1000.00 to \$50,000.	\$35.00 for the first \$1,000 plus \$6.25 each additional thousand or fraction thereof, to and including \$50,000.00.
\$50,001 to \$100,000	\$293.00 for the first \$50,000 plus \$5.20 for each additional thousand or fraction thereof, to and including \$100,000
\$100,001 to \$500,000	\$500.00 for the first \$100,000 plus \$4.15 for each additional thousand or fraction thereof, to and including \$500,000.
\$500,001 and up	\$2,000 for the first \$500,000 plus \$3.10 for each additional thousand or fraction thereof.

Section 18-163 Electrical Permit Fees.

(a) Payment of fees by electricians.

Before proceeding with the work covered by the permit, the fees for the permit to do such work shall be deducted from an established escrow account, or payment shall be made at the same time the application is completed and approved.

(b) Payment of fees by homeowners. Before proceeding with the work covered by a permit, the homeowner doing the work shall pay the fees for the permit as provided in this section. Homeowners shall also pay the inspection fees as provided in this section.

(c) Schedule of permit and inspection fees.

(1) The term "outlet" shall mean any point on a wiring system at which a switch is installed or electricity is taken from a circuit for light, power or any other purpose or service.

(2) The term "outlet addition" or "outlet extension" shall mean any outlet installation made over and above the number as requested in the permit or as shown on the plans for new construction, or outlet installation extending from or added to old existing circuits, respectively.

(3) Permit applications covering the installation of, or the wiring for, motors on any job shall specify each motor individually. No grouping of motors per machine, or other such grouping of horsepower, shall be permitted.

(4) Permit fees for inspection of all electrical work and appliances shall be made and collected upon and in accordance with the following schedule:
